Designer Salon Vac

- Size 14.5" W x 14.75" D x 30" H
- Attractive curved radius front design
- Available in hundreds of colors to match your salon décor, including matte, glossy or wood grain finishes
- Rear access to canister for easy emptying.

A Better Looking Salon Area

Salon Vac is self-contained in an attractive designer curved front model. You'll work better and your clients will appreciate a clean and professional looking work space. It's simple to empty. Just remove the canister from the unit and dispose of the contents. There are no bags or messy cleanups. It's that easy.

Ergonomic Solution

The days of bending over for dustpans and looking at a mess in the corner are gone. Salon Vac is the professional ergonomic solution. Just sweep the hair to the base of the unit, step on the foot switch, and you're done.

Take It With You

If you rent booth space, you can also enjoy the convenience of Salon Vac; it goes where you go. There is no expensive in-wall installation. Just plug it in and it's ready to use. Its lightweight cabinet makes it easy to move when you do.

Special Order

Hundreds of custom and designer color laminates are available to match your salon or home décor.
