## HEAVENLY SOLES® FOOT CARE SYSTEM: PERSONALIZE EVERY PEDICURE WITH AROMATHERAPY

Elk Grove, CA – Pamper clients from toes to nose with the Heavenly Soles Foot Care System from Backscratchers. With premium ingredients and new Aromatic Spa Drops, this 4-step luxury pedicure system can be personalized with scent for every client. Aromatherapy, the science of scent, is one of the most effective ways to elevate mood and relieve stress.

Create a serene and calming experience for each client with a palette of six fragrances: French Vanilla, Sandalwood, Eucalyptus, Balsam Fir and Sweet Orange. Formulated to enhance the Heavenly Soles Foot Bath, Aromatic Spa Drops can also be added to Comfort Moisturizer to send a client home with luxuriously fragranced skin (not recommended with Sweet Orange Spa Drops).

A blending guide is included with suggested scent combinations for both men and women. Salons can also develop a collection of signature blends, and theme their services accordingly – such as aphrodisiac foot treatments for Valentine’s Day, or luxurious pre-wedding pedicure featuring feminine scents.

### Four easy steps create a blissful spa pedicure:

#### **STEP ONE:** Heavenly Soles Foot Bath: Soothing & Antibacterial

An aromatic footbath washes away fatigue to create a tranquil escape. Personalize with Aromatic Spa Drops.

#### **STEP TWO:** Heavenly Soles Triple-Action Exfoliant with Alpha-Hydroxy Acid & Natural Pumice

Refined natural ingredients exfoliate feet.

#### **STEP THREE:** Heavenly Soles Liquid Talc with Natural Enzymes of Papaya & Pineapple

This elixir of rich enzymes protects freshly pampered feet.

#### **STEP FOUR:** Heavenly Soles Comfort Moisturizer Nourishes & Softens Feet

Lush moisturizers calm and nourish skin. Adding Aromatic Spa Drops leaves skin luxuriously fragranced.

The Heavenly Soles Foot Care System is available for sale as a kit, featuring 16 oz. pump bottles of all four pedicure steps, a Foot File with replaceable grits, 100% cotton toe separators and a complete set of the new Aromatic Spa Drops collection. An introductory kit featuring individual single-use dispensers is available for salons and spas. Each step, accessory and all fragrances in the Spa Drops collection are also available for individual sale.
